PART V.

Official Papers.

Abstract of Season or Intermediate Reports for the Week ending 1st *January* 1881.

Bangalore District.—The standing crops, *viz.*, paddy, avare, togari, &c., are in good condition Harvesting of paddy in progress, the yield of crop average one ; that of ragi below the average owing to unseasonable rains. Prospects favorable. Public health generally good; fever prevalent in parts. Murrain among cattle in the Anekal Taluk has abated. Prices stationary.

Kolar District.—Crops in good condition. Kartika paddy, horse-gram, tuvar, ground-nut, inferior sesamum and ballar are being harvested. Vaisak paddy cultivation in progress. Prospects favorable. Public health generally good. Prices stationary.

Tumkúr District.—Standing crops in good condition. Prospects good. Fever prevalent in parts of Maddagiri, Kadaba, Chiknayakanhalli and Honnavalli Taluks, and murrain among cattle in parts of Maddagiri and Honnavalli Taluks. Prices fluctuating.

Mysore District.—State of crops very good. Prospects favorable. Public health good. Prices steady.

Hassan District.—Crops in good condition. An average ragi and good paddy crop have been reaped. Horse-gram has been reaped in the Hassan, Belur and Haranhalli Taluks. Bengal-gram being sown in the Nagamangala Taluk. Prospects of season and public health good. Price of ragi has fallen.

Shimoga District.—Avare, togari, wheat, jola, castor-oil, and Bengal-gram are in good condition. Sugar-cane being milled; yield above the average. Picking of arecanut and cardamom nearly completed. Prospects good. Public health fair. Murrain among cattle still prevalent ; losses considerable.

Kadur District.—State of crops good. Prospects favorable. Public health generally good, but fever prevalent in parts. Coffee crop good. Prices stationary.

Chitaldroog District.—Standing crops in good condition. Javari, ragi and wheat have been harvested in some parts of the District. Prospects good. Public health indifferent. Fever and ague having been prevalent in parts. Murrain among cattle still prevails in the Chitaldroog, Dodéri and Davengere Taluks. Prices fallen.

Coorg.—Reaping rice crop continues. Threshing ragi not commenced. Coffee being picked; crop small. Fever and cold prevalent.

By Order,

C. RANGACHARLU,
Revenue Secretary.
